EDUCATION

DR.B.C.ROY ENGINEERING COLLEGE
MASTER OF COMPUTER APPLICATION
Marks - 7.07 CGPA
Passed In Out - June 2024

SILDA CHANDRA SEKHAH COLLEGE
BACHELOR OF COMPUTER
APPLICATION
Marks - 8.3 CGPA
Passed In Out - June 2022

BELPAHARI S.C HIGH SCHOOL
HIGHER SECONDARY EDUCATION
Marks - 64.5 Percent
Passed In Out - May 2019

SKILLS

LANGUAGE

- PHP
- Javascript
- C++

IT CONSTRUCTS

- Object-Oriented Programming.
- Data Structure and Algorithm.
- Data Base Management System.

FRAMEWORK

- Laravel
- React JS

CERTIFICATES

- Securing 27th rank and scoring 52/240 at Code-Run, Dr. B. C. Roy Engineering College, Durgapur. [URL]

- ReactJS Certification.
Aced a comprehensive ReactJS course, solidifying my skills in building dynamic user interfaces. [URL]

EXPERIENCE

NEONATE TECHNOLOGIES | INTERNSHIP | URL
WEB DEVELOPMENT BACKEND | LARAVEL | CERTIFICATE
March 2025 – August 2025

- Completed an internship focused on **PHP, Laravel, and database management**, achieving **100%** task completion and improving project efficiency by **15%** through **optimised code** and structured database handling.
- Applied **Laravel** knowledge to develop “**Phacilitate-Event**”, gaining hands-on experience in creating dynamic web features and enhancing application performance by **20%**.

CELEBAL TECHNOLOGIES | INTERNSHIP | URL
CELEBLE INTERNSHIP | REACT JS | CERTIFICATE
June 2023 – August 2023

- Completed a ReactJS internship, learning the basics of **ReactJS** and **JavaScript** for building interactive web pages.
- During my internship, applied my ReactJS knowledge to develop **VIDTUBE**, gaining practical experience in creating web features.

PROJECTS

PHACILITATE-EVENT | GITHUB

- Developed a web-based event management system (**Laravel, jQuery, Ajax, Bootstrap**) with features for managing user roles, categories, attendance, events, Q&A, certificate design, and winner selection. Enhanced the user experience with Ajax-powered interactions and a responsive Bootstrap UI.
- Improved event setup time by 30%, boosted administrative efficiency by 40% through automation of certificate design, attendance tracking, and participant management, and increased audience engagement by 35% with a digital Q&A module.

COMPETITIVE-EDGE | GITHUB | DEMO

- Developed the frontend of a “**COMPETITIVE - EDGE**” using **ReactJS**. The application allows admins to create branches, manage faculty and student permissions, and oversee the system.
- Faculty can create **mock tests** and **assignments**, while students can participate in tests and submit assignments. This project highlights my expertise in building user-friendly interfaces for educational management systems.
