

INTERNSHIP OFFER LETTER

Letter To:

Mr. Ujjwal Pathak

Date

14 January, 2026

Subject: Offer for Internship as Software Developer Trainee

Dear Mr. Ujjwal Pathak,

With reference to your academic background in Computer Applications and your technical skills, we are pleased to offer you an internship at **Mindware** for the position of **Software Developer Trainee**.

1. Internship Duration & Training Scope

- The internship duration will be **6 to 8 months**.
- You are required to complete a **minimum of 180 actual working days**.
- **Sundays and public holidays will not be counted** toward the 180 working days.
- During the internship, you will receive structured training in the following areas:

Digital Media, Software Development, PHP, MySQL, AWS (Amazon Web Services)

2. Probationary Period

- The **first two months** of the internship will be considered a **probation period**.
- Continuation of the internship after this period will depend on:
 - Consistent performance
 - Demonstrated learning progress
 - Timely completion of assigned tasks
- The probation period will be effective from **January 14, 2026**.

3. Validity & College Authorization

- This internship offer is **valid only after official acknowledgement** from your college, **Ajay Kumar Garg Engineering College**.
- The acknowledgement must be **duly signed and stamped** by authorized college officials, confirming receipt and approval of this offer.

4. Code of Conduct

- You are expected to maintain **professional behavior** throughout the internship.
- All tasks and responsibilities assigned by your department must be completed diligently and responsibly.

We look forward to your contribution to our innovative projects and wish you a productive learning experience at Mindware.

Gulshan Marwah
